Crowds, Parade, and Excitement Mark '80 Homecoming

The sweltering summer heat gave way for the first time this year to genuine Henrico Homecoming weather. The change in temperature brought about an uprising of spirit from students and patrons alike. Another log in the spirit fire was the 22-7 victory over Armstrong-Kennedy. The win was highlighted by the Homecoming parade which included the court, the band, and the ever popular floats. USB captured first place in the float competition. Reigning queen, Yolanda Archer, relinquished the crown to Queen Tracey Glasper. Michelle Sprouse was Maid of Honor.

Promoting academics, supporting athletics, listening to students, assisting teachers, and building strong leadership are among the many aspects which have been emphasized at Henrico High School in the past three years. These endeavors are foremost in the minds of teachers and students and are re-enforced by the administration.

The 1981 dedicatee's main concerns are with meeting the needs of students and promoting student involvement. All of his nineteen years in education have been spent in Henrico County. His loyalty to the school system and Henrico High are evident in all of his actions. The 1981 *Totem Pole* Staff proudly dedicates this yearbook to Dr. Edgar V. Wallin.

Have you got that Spirit?

Yea Man! Warriors have got that spirit. Students as well as teachers show support for the mighty Warriors in many ways. Wearing hats or jerseys, dressing country and

donning war paint help the team get fired up. Pep rallies, featuring a Hee-Haw skit by the cheerleaders and a Pie-in-the-Eye (Mr. Auman's eye) by Key Club, promote that great Henrico Spirit.

Energy, Animation, and Alertness Add to School Life

Class, cafeteria and campus activity help to fill the day in the life of a student. Physical activeness, mental concentration, and emotional involvement keep Henrico High students engrossed in the importance of school. High school's fast pace results in little free time, quick meals, and short studies.

IT IS NEVER THE WRONG

DAY BREAK

You begin as early as 6:00 a.m. to prepare for your day at school. You plan to get up early to study but it's so hard to drag yourself out of bed. If you can make it up to get ready, you may find yourself walking around school zombie-like for the first half of the day. But Rhonda Martin and Debbie Bridgmon get off to a bright and early start.

NO BREAK

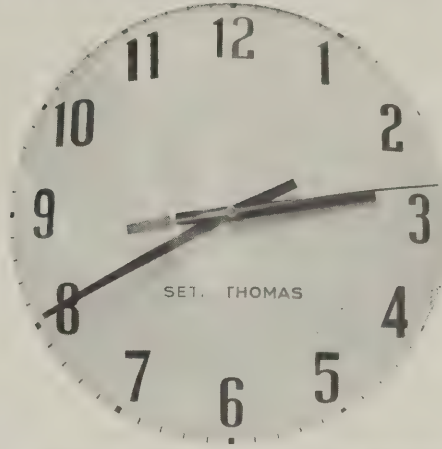

What a trooper you are! Even though you stayed up late and got up early just to study, you still spend your last few minutes of class diligently cracking the books. Raksha Kapil uses every available second to finish some rough chemistry work.

FAT BREAK

Through your years of frequenting school you have learned several important things. One of these is that the school lunch time provides the day's most nutritious break and that a healthy mind goes with a healthy, calorie-stuffed body. Cheryl Stubbs, Michelle Kimbrough and Chandra Harris seem to have taken this handy information well into consideration.

TIME FOR A BREAK AT H.H.S.

DRAG BREAK

It's a sub-zero day outside so why aren't you inside where it's nice and warm? Maybe you've found a way to keep warm that others don't know. When you light up your cigarette do you find yourself trying to keep warm by the heat of your butane? Robbie Smith braves the cold to satisfy a nicotine fit.

NEWS BREAK

There's been a news flash. You have just heard the latest. You feel a moral, if not a social, obligation to spread the word. There are those who say sidewalks are made for walking, but these Warriors know they really are for talking. Remember: A rumor a day keeps boredom away.

FAST BREAK

When 3:30 comes and the sound of the dismissal bell rings over the campus you find yourself jumping out of your desk and running out of the door to find the nearest transportation home. You've found seven hours of school enough for one day. Wendy Freeze and Lisa Hawkes make their fast break for the bus.

Middle Left: No, it's not Halloween, but a group of masked men at a Henrico Pep Rally. **Middle Right:** Johnell Taylor, junior, exemplifies the spirited students at pep rallies.

The most anticipated day of the school week is Friday, especially when a pep rally is scheduled. At these events students recognize athletes and express their spirit by yelling chants and cheers led by the cheerleaders and Mr. Warrior, Mickey West. Students sit with their respective class and the most spirited class wins the spirit tomahawk. Pep rallies give the student a chance to get away from the classroom atmosphere and show support for the Warriors.

Returning to a traditional theme, the 1981 Winter Carnival reminded one of a winter wonderland. While dancing to the music of Crimson, students found themselves in a world of figure skaters and snowmen. The highlight of the evening was the crowning of the queen, Kim Peal, by the 1980 Winter Carnival Queen, Kim Beard, and the naming of the king, Mickey West. The SGA sponsored this formal winter dance while members of the freshman class served refreshments.

WE'RE A LITTLE BIT COUNTRY FOR SADIE HAWKINS

The 1979-80 Sadie Hawkins Dance, sponsored by the Junior Civitan Club, proved to be a success with many students attending. With music provided by Visions, students, faculty, and administration sat among the clotheslines and bales of hay, and each had a "down-home" good time. The highlight of the evening was the crowning of Queen Janice Nunnally by the former sweetheart, Carolyn Rowe. The profit from the dance was donated to the Association for Retarded Citizens.

Capitalizing on the romantic imagery of moonlit nights, the theme of the 1980 spring prom was "Midnight Magic." Under the starlit sky, students danced to the music of Power Play, and freshmen, dressed as musicians, served the guests. Mr. Ron Axselle announced the 1980 Senior figure, and following the figure, couples remained in their place to dance to the Commodores' pop hit "Still." The prom's sponsors, Mrs. Blacklock and Miss Bishop, along with prom chairmen Carol Ann Leeson and Robert Lowry worked diligently to make the prom a success and a memorable one for all.

DRAMATIC PRODUCTIONS ENTERTAINMENT

The drama program at Henrico High School revolves around three major productions; the senior play, the one act play festival, and the all-school musical. The senior play "Up the Down Staircase," limited to members of the senior class, was presented in November. The one act play is eligible to all students. This year "Trysting Place" was presented in competition in February. The all school musical, open for auditions, is produced in the spring. The 1980 musical was "Man of La Mancha."

Henrico offers a three-year academic program in drama. These classes are for those interested in drama as a future career. Drama students are honored through the Thespian Society for their work in dramatic studies and the school productions.

HONORS INCLUDE GIRLS' AND BOYS' STATE

Henrico High School is honored to have many students who excel in the area of leadership and academics. Alex Pang was Henrico High School's nominee for the Governor's School for the Gifted, while Paul Covington won a writing achievement award from the National Council of Teachers of English.

Ten students attended Boys' and Girls' State during the summer. Boys' State was held at Lynchburg College and Girls' State was held at Longwood College. These representatives participated in a mock government system at the state and local levels. Attention was focused on the two party system and the election of high ranking officials including governor, lieutenant governor, and attorney general. Guest speakers Chuck Robb, Lieutenant Governor, and Marshall Coleman, Attorney General, were an interesting part of the rigorous schedule.

DONKEYS EXASPERATE BASKETBALL PLAYERS

Juniors out-scored the faculty by four points in an unusual Donkey Basketball game. Led by Captain Kim Williams, the junior class triumphed through an overwhelming persistence over donkeys and faculty. Coach Dale Svor planned the strategy for the faculty team. VOCATIONAL-TECHNICAL CENTER

An integral part of career planning for students is the Highland Springs Vocational-Technical School. Students from Henrico High journey to the Tech Center for three hours a day to take classes in their field of interest. Electing to pursue a vocational career, students study areas from health occupations to apprenticeable trades.

Sophomores, juniors and seniors are eligible to attend classes at the center, and approximately 25 percent of the students eligible from Henrico attend the center. Students attend the Vo-Tech center either in the morning or the afternoon and take their academic classes at Henrico during the other part of the day.

TWO WARRIORS BENEFIT

Participating in a Cultural Relation Fellowship sponsored by Hauni, Richmond, Inc., Cynthia Bryant and Steve Beaver were among a group of ten students from the Richmond area to travel to Hamburg, West Germany for three months from March to June. They lived in private houses, were exposed to German culture, and worked at Hauni. Cynthia worked in the area of data processing and Steve in electronics.

Prior to leaving for the trip Cynthia and Steve were tutored in German by the company and refreshed themselves on the history of Western Europe. Eligibility for the program was determined by students' career objectives. Cynthia and Steve are enrolled in vocational programs and plan to enter the world of work after graduation. They were interviewed by the administration of Henrico County Schools and again at Hauni, Richmond, Inc. where they also made a speech to the company officers.

FROM CULTURAL RELATION FELLOWSHIP

CLASS OF 1981 SELECTS SENIOR SUPERLATIVES

All seniors had the opportunity to nominate their favorite people for twenty-two categories which depict the dominate characteristics of the class. After weeks of counting and tabulating the results, Mrs. Blalock, sponsor, and senior

class officers announced the winners pictured here. When the class comes back for their reunion years from now, these people will be observed to see if their style remains the same as in their high school years.

BACCALAUREATE AND GRADUATION

As the procession entered Chappell Stadium, many seniors had mixed emotions. There was happiness for their successful completion of high school and sadness at the thought of leaving their friends. Marking the beginning of commencement activities, Mr. Gerald Kilgore, Chairman of the Henrico County School Board, issued a challenge to the Class of '80 at baccalaureate. At graduation the following night, Paul Rush, SGA president and Mr. Ron Axselle, a former teacher at Henrico, spoke to the audience of seniors and parents concerning society's need for individuals who care about themselves and others. Cries of joy could be heard from the seniors and their families as the ceremony ended.

THE BIG GREEN MACHINE

The Warriors knew that this year was going to be a good one when in the first game Davis Estes took the opening kickoff 97 yards for the first touchdown of the season. The team then sprinted off to a quick start, winning their first five games. The team lost three close mid-season games against Hermitage, Highland Springs, and Freeman. The Warriors broke their slump by defeating Tucker 27-0 before losing to Jefferson-Hugenot-Wythe by a narrow margin. They finished the season with a 6-4 winning record.

The team this year was highlighted by its strong, tough defense, led by Kenny Carr and Timmy Holmes, and the passing duo of quarterback Bobby Yurachek and end Kevin Sprouse.

The outstanding ability of each of these seniors will be difficult to replace next year.

NINTH GRADE AND JUNIOR VARSITY PLAYER

Gaining valuable experience for future years, the J.V. Football Team worked hard in developing the skills needed to play. Coach Svor harnessed the strength of the team and employed these talents in his game plans.

For the majority of the players, this year was their second year on a Warrior football team, while it was Coach John Trott's first year as a Henrico Warrior Football coach. Henrico looks forward to having him again next year to lead the Warriors to victory.

Upper right: A J.V. player practices his mean look. **Middle left:** The team loosens up before the game. **Lower right:** Daniel Denmark watches as a fellow teammate "Pumps Iron."

GAIN EXPERIENCE FOR THE FUTURE

The Freshmen are proud to be Warriors, and the 9th Grade Football Team is no exception. The team exhibited this spirit in their victory over J.R. Tucker, 50-6. In his fourth year as head coach, Gary Criswell led his team to a remarkable season of 5 wins and only 2 losses. Alan El-Amin, the quarterback, shows great promise for the future. Because of the experience gained by the 9th grade team, Henrico can look forward to winning seasons for Varsity and J.V. teams in the future.

Middle left: Coach Bremmer goes over the defense's tactics.

Lower left: The team engages in a little pre-practice fun.

GIRLS VARSITY BASKETBALL SHOOTS FOR TWO

There were many changes in the Varsity Girls' Basketball team this year. Many players were substituted in positions that were unfamiliar to them because of numerous injuries during the season. In light of this fact, the team record was commendable and exhibits the versatility and talent of the players.

The team had a remarkable

season, with 15 wins and only 5 losses. They had an average of 55 points per game; whereas, the opponents' average was 39 points per game. This accomplishment enabled them to achieve second place in the district. Two outstanding players were Brenda Smith and Joy Belvin, as they were placed on the All-Star District team.

SKILLS AND SCORES SOAR FOR J.V. GIRLS BASKETBALL

Placing third in the district highlighted the J.V. Girls Basketball Team's winning season. Sharon Walker and Heather Patterson scored the highest number of total points for the season. Captains Wanda Jackson and Heather Patterson encouraged enthusiasm among the team members, while Coach Sallie Bright helped them achieve their greatest potential. Throughout their season as the Lady Warriors advanced down the court, they also advanced in skill.

GIRLS TENNIS TEAM

The Girls Tennis Team exhibited their talents this year by ending the season with a record of 9-4. They advanced to the district playoffs, but lost to Hermitage 3-6. Despite this loss, Lisa Duke and Susan Erdman won both the district and regional doubles championship. This achievement awarded them the #3 doubles team title in the state.

CROSS COUNTRY MAKES TRACKS

Despite having only seven runners, the 1980 Cross Country team ended with a 5-3 season. The team, coached by Frank Wagner, placed fourth in both the district and regional meets. Eric Fredericksen captured the Colonial District title and placed fourth in the regional meet. The Warrior runners named to the all-district and all-regional teams were Eric Fredericksen and Tim White.

WARRIORS UPSET TOP-RANKED TEAM

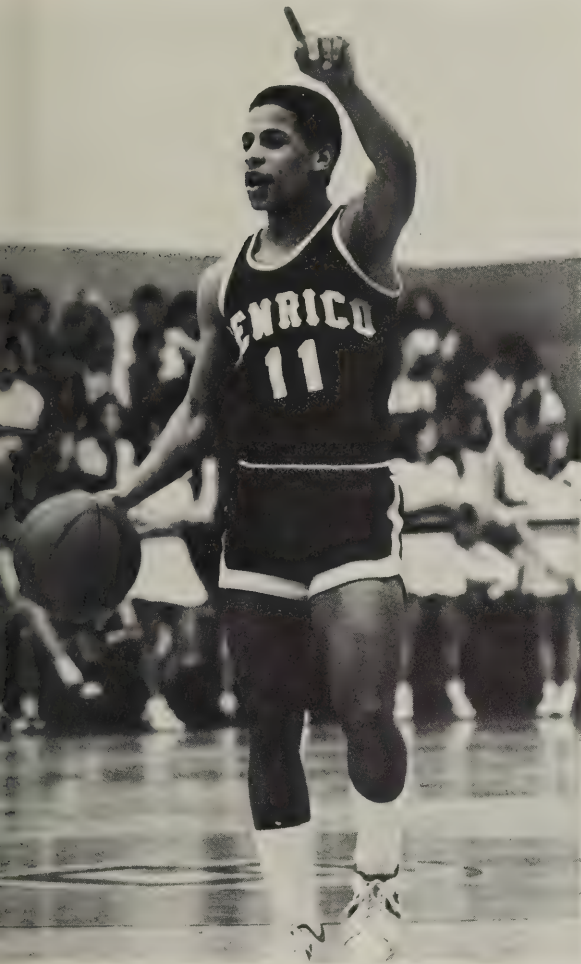

Although the Boys' Varsity Basketball Team experienced a slow start, they rallied with a 4-game winning streak to finish their season with an 8-10 record. The highlight of the season was their win over first place Armstrong-Kennedy. Many players contributed greatly to the team. Among those players were Mike

Mansfield, who led the team in total points with 211 and rebounds 127 for the season. Also, Raym Smith had the highest percentage of successful foul shots, 77.4%, with Robert Lowry running a close second with 75.9%. The Warriors have 10 players out of the 17 member team returning next year.

WARRIORS CONTINUE SPORTSMANSHIP TRADITION

Despite a disappointing record, the Warrior Basketball team and fans maintained their tradition of fair play and good sportsmanship. Loyal supporters filed into the gym and followed their team on the road. The team should be commended, not only for their play and sportsmanship, but their "never say die" attitude.

JV BASKETBALL SHOOTS FOR THE FUTURE

Many new skills and talents were gained this season by the J.V. Boys Basketball Team. The team played hard in hopes that their coach, Jim Vega, would put in a good word or two to the Varsity coach for next year. Their season, 6-11, doesn't reflect the effort put forth by the team. Their spirits were kept high throughout the season with the help of such players as Brian Washington, Carl Smith, and Ivan Kidd. With the cooperation of all of the J.V. team members, Henrico can look forward to having an excellent Varsity Basketball team next year.

FRESHMAN BASKETBALL EXPERIENCES BEST SEASON EVER

Although plagued by a slow start, the Ninth Grade Basketball Team ended their season by winning eight out of their last ten games. At one point in the season, the freshmen experienced six straight wins, the longest winning streak for a ninth grade team at Henrico. Contributing to the successful year were Ed Harris, leading scorer with an average of 13.3 points per game, and Toby Johnson, leading foul shooter with a 65% average for the year. Leading rebounder was Bobby Richardson while Julius Lyons led the team with his good floor leadership. Under the guidance of Coach Mark Szalwinski, the ninth grade boys finished with the best overall record of a Henrico basketball team.

INTRAMURALS PROVIDE RECREATION AND COMPETITION

Under the direction of Mr. Mosely, Mr. Szalwinski, Mrs. Durham, and Miss Rollings, the intramural program is successful at Henrico High. Unlike varsity sports, the entire student body is eligible to participate in each event. Teams are organized by class, and points are awarded to the class winning first and second place. Sporting events range from volleyball to bowling.

SOCCER TEAM LOOKS FORWARD TO

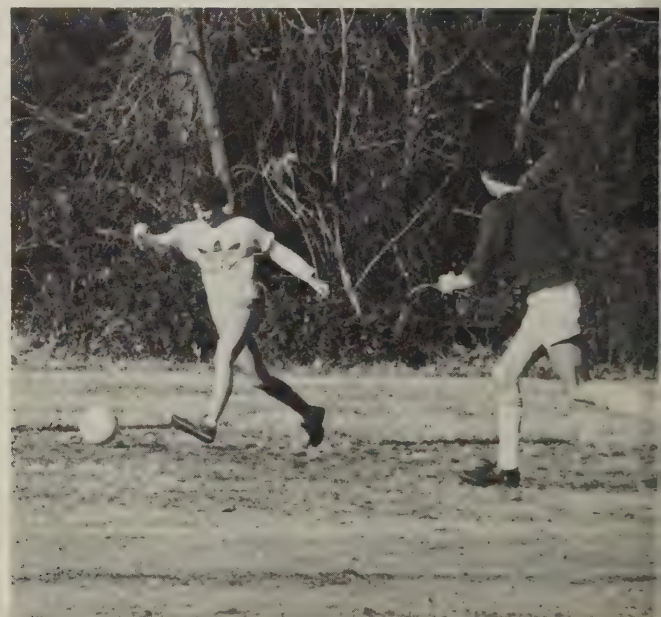

These players are only a portion of the upcoming Boys Soccer Team. Because their season was shifted to a spring sport, final selections for the team have not been made.

Henrico welcomes Mike McEvoy as the Varsity Soccer Team's new coach. He comes to Henrico as a guidance counselor from Benedictine.

The soccer season now begins, like all other spring sports, in the cold, windy weather of early March. This, however, seems like paradise to soccer players who remember all too well playing in the snow of winter.

MATMEN ENJOY SUCCESSES

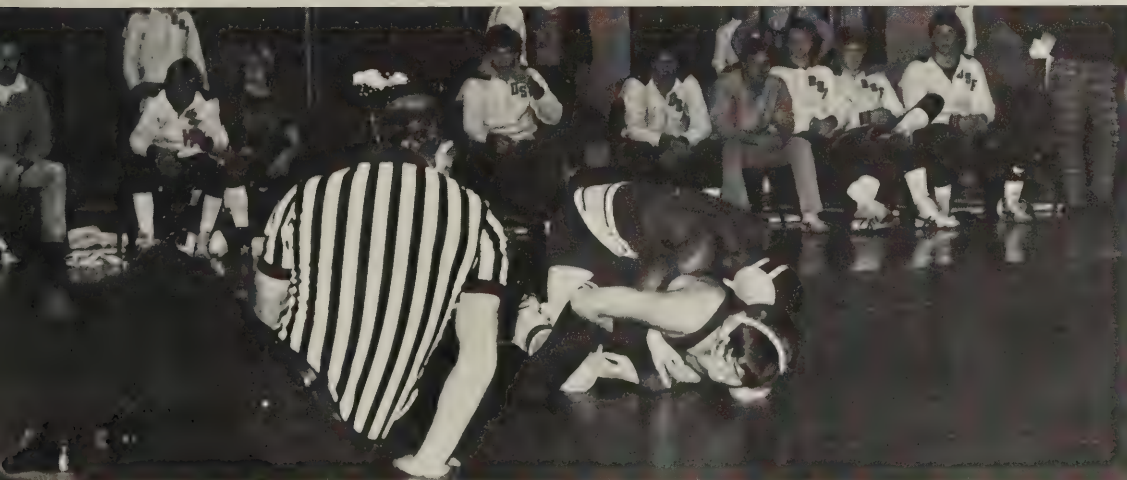

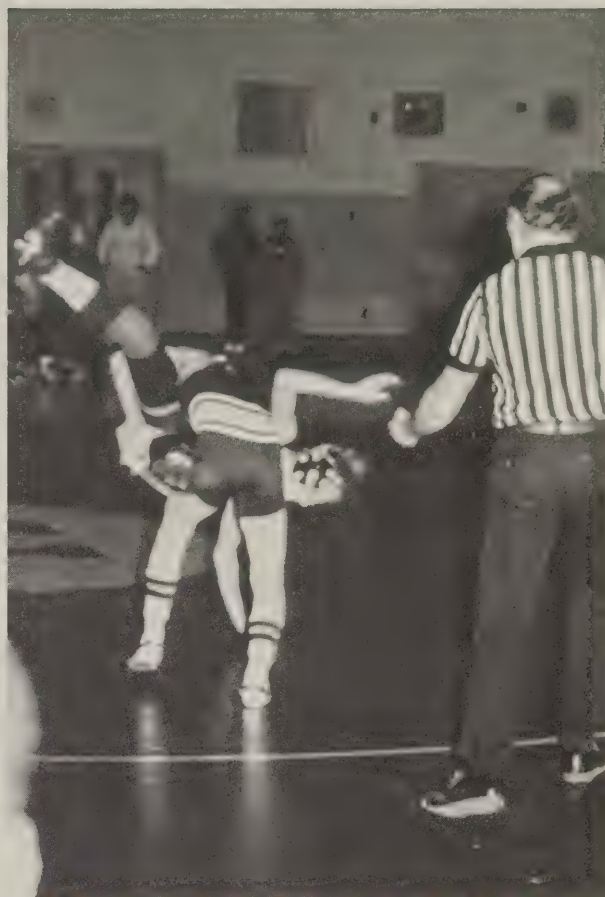

With an undefeated regular season, the Varsity Wrestling team posted an 12-0 record for the first time in the school's history. Highlights of the season were dealing Freeman and Highland Springs their only losses. They continued their success by capturing the District title with the tournament being held on home territory. First place in District were Doug Ewbank, 98; Scooter Harris, 119; Todd Curry, 126; and Tim Mathews, 167 pound weight class. Second place in District were Tim Holmes, 155; and Scott Bazemore, 145 pound weight class. The team walked away with the Regional Championship when they outscored their closest competitor, Freeman, by 29 points. J.V. WRESTLERS CONTINUE WINNING TRADITION

Henrico can look forward to an excellent Varsity team next year if the J.V. Wrestlers keep up the good work. They gained valuable experience this season, as shown by their 4-0-1 record. Instrumental in achieving this record were the three district champions, Herb Pearson, 98; Paul Taylor, 155; and Danny Copeland, 167 pound weight class. Also, David Oakley and Jeff Tuck aided the team's performance by remaining undefeated in dual meets.

WINTER TRACK RUNS HOT!

The winter track season was highlighted by many events and by long distance travel. The team opened its season at the Lynchburg College Christmas Invitational where Davis Estes won both the 300 and 600 yard runs. The next big meet was the East Coast Invitational at the Richmond Coliseum where Reggie Bush placed first in the 60 yard dash; Mike Ferguson, second in the mile run; Bubba Hood, first in the shot put; Davis Estes, third in the 600; Junie Pittman, third in the long jump; Reggie Bush, Junie Pittman, Davis Estes and Jonathon Hendricks first in the mile relay. The team finished fifth in an Indoor Meet at VMI which replaced the 1981 State Meet. High point man for the Warriors was Davis Estes with third in the 300 meters and a fourth in the 500 meters. The season ended on a

high point as the team finished fourth in the Indoor Regional Meet. The Warriors placed above all other county schools in this regional meet. Winning high honors were Bubba Hood taking first in the shot put and Jimmy Middlebrook and Junie Pittman taking seconds in the pole vault and long jump, respectively. The Indoor Regional Meet was also a success for the women's team. They placed an overall fourth with Wanda Curry winning first in the region in both the 300 meter and the 55 meter dashes. Tammy Bryant finished third in the shot put. The relay team of Michelle Dabbs, Teresa Stone, Tammy Bryant, and Sherry Wallace placed sixth in the region. YOUTHFUL GYMNASTS EXPERIENCE REBUILDING SEASON

Going to state gymnastics competition were Teresa Herbert for balance beam and Valarie Garnett for floor exercise. Led by Captain Pam Coxford, the Gymnastics Team completed the season with a 1 and 6 record, and even though not a winning season, the team stayed in good spirits with the assistance of Head Coach Andrea Durham and Assistant Coach Sharon King. Losing only two seniors for next year, the coaches and team look forward to capitalizing on the experience learned from the building season of 1981.

SPRING TRACK MAKES "THE LONG RUN"

Spring Track is a misnomer because the team members run all year long. Official practice begins in the cold of early February. These dedicated players had a remarkable season of five wins and only three losses.

The team exhibited immeasurable talent this season. Dennis Banton set a school record by jumping 23 feet, 5 inches in the long jump, while Davis Estes ran the 440 in 50 seconds, breaking another school record.

The Spring Track Team will miss the loss of Coach Bill Garbett next year, but will also enjoy being under the direction of their new coach, John Trott.

Upper: Warriors gain on a Springer.
Lower: Highland Springs struggles to keep up with Eric Fredericksen.

BOYS TENNIS KEEPS UP THE RACQUET

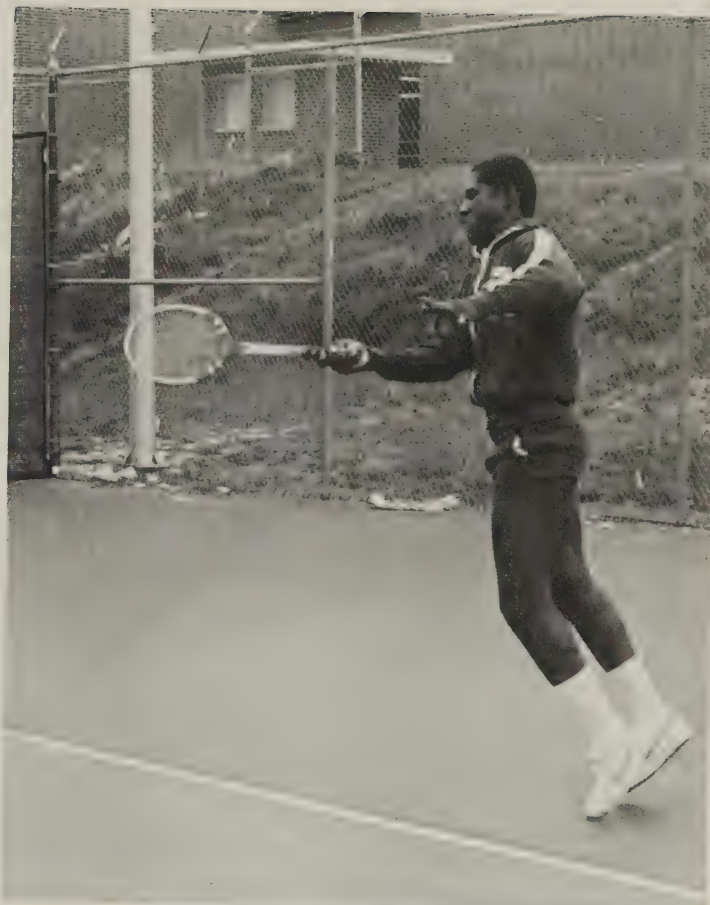

With the windy cold practices of early spring, the Boys Tennis Team braced against the elements in order to be ready for their first match. Coach Bob Blackburn helped them to prepare for a tough season. The top two players were #1 singles player Henry Briggs, and #2 singles player Brian Bruce. Although their 3-11 season was not as good as they had expected, they have experienced players returning to work toward a winning season.

VARSITY BASEBALL TAKES A BIG LEAD,

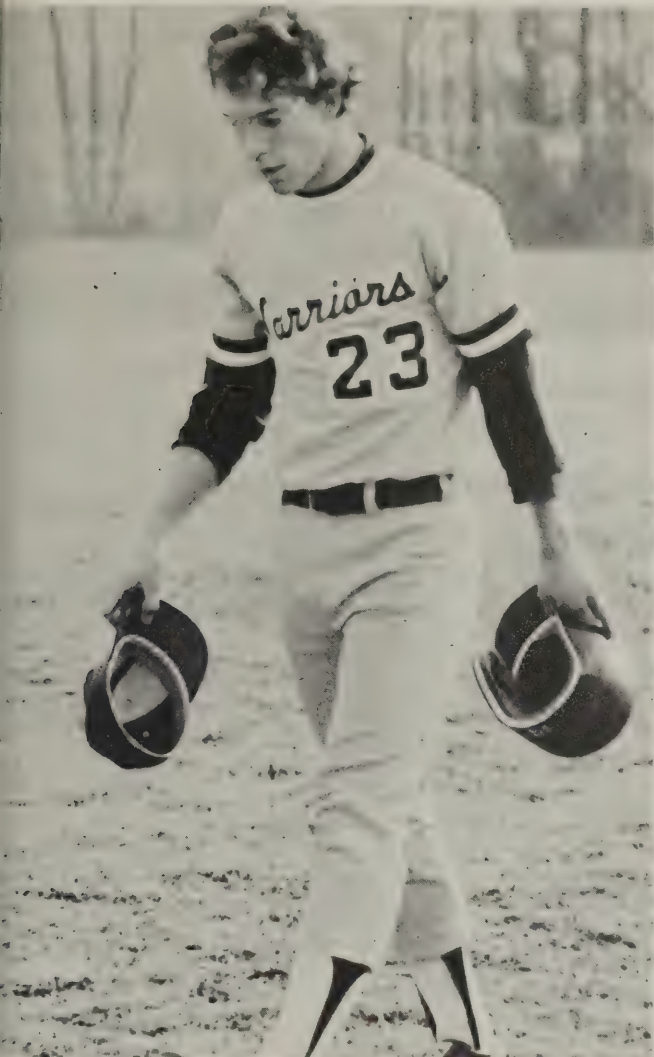

Having one of the youngest teams in recent years, the Varsity Baseball Team consisted of one sophomore, fourteen juniors, and three seniors. One of the outstanding juniors, Allen Talbott, had the highest batting average (.356). Ross Mosley, Kenny Carr, and Neil Atkinson achieved a combined earned run average of 2.31. Troy Schools played the entire season without making an error. The players and Coach Don Colley both were pleased with the seasoned and experienced team.

J.V. BASEBALL REBUILDS FOR FUTURE SEASONS

The J.V. Baseball team began their season with an impressive win over JHW, 9-4. They also had an inspiring win over Highland Springs (3-0), and later ended their season with a victory over Benedictine, 14-7. Although it was not one of their better seasons, they gained valuable experience for next year. Among the players that contributed to the team were leading pitcher, Jimmy Harless, and leading hitters Wink Fry and Jeff Thompson. Coach Moyer looks forward to the '81 season, as there are 10 players returning.

SOFTBALL: DIAMONDS ARE A GIRL'S BEST FRIEND

Led by the play of All-Regional team members Brenda Hall, Joy Belvin, Sarah Dziuba, and Cheryl Burks, the team placed second in both the district and regional

tournament. Denise Robinson was the team's leading batter with a .458 average, and Brenda Smith led the team in both home runs and stolen bases with 6 and 16, respectively. Coach Bryce looks forward to the upcoming season with 14 varsity players returning.

J.V. SOFTBALL HITS ON WINNING SEASON

Braving the cold practices, the J.V. Softball team emerged victorious as seen by their winning season. The team's success was largely attributed to Coach Sharon King's dedication and the team's winning spirit. The tri-captains Wendy Artiglere, Heather Patterson, and Wendy Whiteman helped to keep this feeling of optimism.

GOLF SWINGS INTO ACTION

houses, Collegiate and Benedictine; and by upsetting the second place team in the county, Patrick Henry, by six strokes. Six players will be returning for the 1981 season.

CLASS REUNION SURVIVAL KIT

Hello, 2006!

You're wrong, grads. You thought you had survived the most trying of life's ordeals already. What could be more emotionally disconcerting than cramming for final exams, sitting still through Graduation, and keeping a smile on your face when your aged aunt from Waterloo hugged and kissed all over you while your buddies were waiting to take you to the Senior Party?

What, indeed. Well, life has one more test for you to pass. You will have to prove that you weren't asleep the entire time you were in high school when you gather again with the Class of 1981 at your 25th class reunion.

Admit it. You can't even remember what courses you took last semester. How are you going to remember all the vital information about your class and school that you will have to know when you exchange small talk at the reunion?

Think about this: you will

be able to talk only so long about what college your kids are going to, how large your house mortgage is, and how many times you have been to Mazatlan this year. Sooner or later, you are going to be expected to come up with some real biggies in the conversation, things like the name of the County your high school was named after.

To save you from enduring embarrassment, Totem Pole offers this page of fun facts to know and tell the night the Class of 1981 meets for a 25th year reunion sometime in August of (gulp) 2006.

Leake-fide

You wanted a reunion, so you conned these people into being your class officers. You tempted them with prestige and power, but you dealt them a lot of dirty, hard work. Even so, you'll find them at the reunion. They won't have a choice, you see. Look for Derek Leake; he's your class president. Ask him

about his romantic poetry concerning four good-looking classmates. The big guy with the "Teenie" name is likely to be Mike Edwards, Vice President. The blonde-haired little woman will likely be secretary, Donna Lucord, one of the good-looking women. The business-like gentlemen wearing the yearbook T-shirt will probably be Gil Wells, Treasurer.

Sing That Tune

Twenty-five years from now you might vaguely be able to recall a few lyrics of some of AC/DC's or Pat Benetar's songs. But how about the words to the school song? Not a chance. When the cheerleaders get ready to lead the reunion crowd in a round of the "Warrior Fight Song", you had better have gone over these immortal lines a few times in the shower:

**We're Warrior born and Warrior bred,
And when we die we'll be Warrior dead.
So, ray rah for Warriors, Warriors,
Ray, rah for Warriors, Warriors,
Ray, rah for Warriors ray, rah, ray.**

**Green, Gold and White lead us aright,
To win this game tonight. All right!
So, ray, rah for Warriors, Warriors,
Ray, rah for Warriors, Warriors,
Ray, rah for Warriors ray, rah, ray.**

Alma Who?

Here's a song you never knew existed until you read it on the program at Graduation. What the heck: surprise the gang at the class reunion by being the only one to be able to sing the "Henrico High School Alma Mater" unaccompanied while standing on top of your dinner table.

**Sing hail to Thee; We hold Thy honor high
Sing praises and revere Henrico High.**

**We work together and learn together and
fairly play the game,**

**Green, gold and white, lead us aright, to
bring Henrico fame!**

**Sing full and clear, Alma Mater dear!
Hold high our aims, lift them unto the skies,
We shall be loyal to HENRICO HIGH!!!**

Small Talk

Reunions are more than just song, however. You also will have to make small talk. Here are small items talked about.

School namesake — Hint: There is a County by that name.

School address — Right around the corner from McDonald's.

Most vital scores of the year — Henrico 52, Armstrong-Kennedy 45 (Boys Basketball); Wrestling, 1st place in District and Regionals; Henrico 27, Tucker 0 (Football).

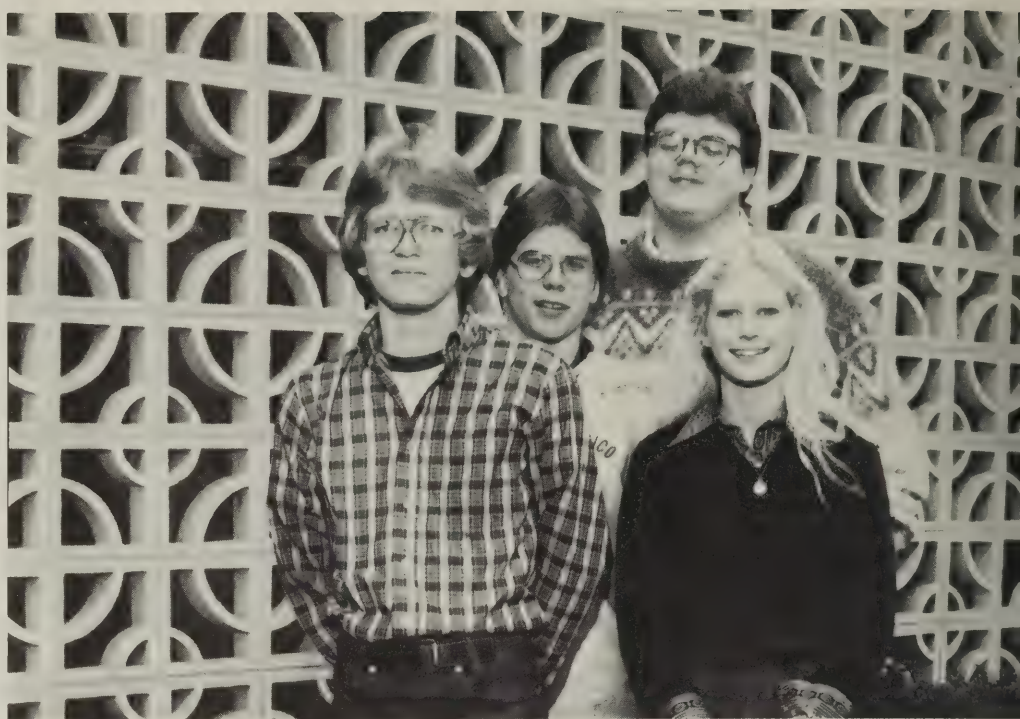

Size of the senior class — 399 (176 females, 223 males). Seven Seniors had a 4.0 average or above.

Senior Convocation proved to be a memorable occasion for the members of the Class of '81. It marked the official beginning of their senior year. Ron Axselle, a former teacher of Henrico High, was the guest speaker.

During the summer, the senior class, headed by Derek Leake, President; Todd Brown, Vice-President; Gil Wells, treasurer; Donna Lucord, secretary; and Mrs. Blalock, class sponsor; raised over two thousand dollars by washing buses. The class ran a roulette table in the school's Muscular Dystrophy Carnival and donated the proceeds to M.D. They also sponsored the Homecoming dance.

The activities and events of the seniors proved to be exciting as well as memorable.

WHERE DO WE GO FROM HERE?

Financial aid is on the minds of all students wishing to continue their educations. It is an essential part of college preparation for most seniors. The student who qualifies for financial aid can use the money for registration, books and room and board. One can also receive scholarships from the high school, the community, and the college in which the student will attend.

"Up the Down Staircase" was produced as the Senior Class Play under the sponsorship of Mrs. Barbara Blalock. Mrs. Barbara MacIntyre, drama coach, directed the play. Mrs. MacIntyre was delighted that the class chose the play because it was fitting that seniors do a farewell spoof which depicted their high school years.

Prom holds a special meaning for every senior. Each prom is unique and different from that of the year before and all seniors want their prom to be the best ever. The hopes for a successful prom generate enthusiasm throughout the entire year as students plan for their dates, their attire, and their post-prom activities.

At the close of the school year, seniors may become nostalgic and remember antics and experiences of the past four years. While reminiscing the old, however, these graduates realize they have a whole life of adventure ahead of them. As students look forward to careers and further education, graduation makes the memory of the past seem unimportant, but it is only one small step in the path of life.

THINK ABOUT THE DAYS . . .

Prom is the primary project that every junior has on his mind. Each junior anticipates the upcoming event. Plans for the prom and other events are organized by class officers Laura Smith, president; Alisa Simmers, vice-president; Rhonda Smith, secretary; and Kim Williams, treasurer, along with class sponsor Mrs. Ann Carol Scott.

The class participated in the M.D.A. carnival and won first

place for selling the most tickets. Other fund raising projects were selling mums at Homecoming, washing cars, and a donkey basketball game.

The Class of '82 is looking forward to becoming seniors.

MOVING UP!

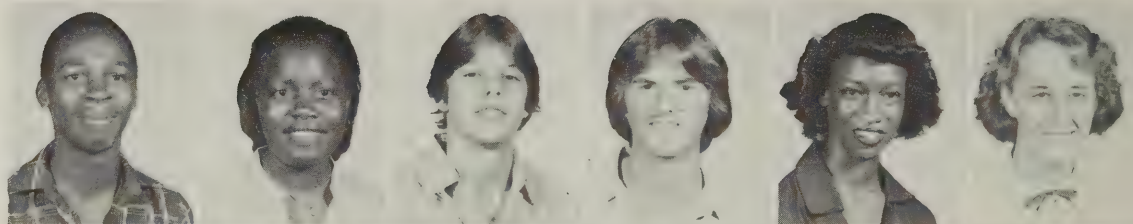

Sponsoring the sophomore class, Mr. Dale Svor guides the class of '83 through a new year of challenges. On October 13 the tenth graders sold ice cream at the Muscular Dystrophy Carnival and received third place for raising money. After days of preparation, the sophomore float won second place in the Homecoming Parade.

Rhonda Robinson, president; Dwayne McKnight, vice-president; Tammy Dudley, secretary; and Missy McRae, treasurer lead the sophomore class in developing new ideas for future projects. Some of their responsibilities for this year include selling class T-shirts and washing buses.

ADMINISTRATION SUPPORTS TOTAL SCHOOL PROGRAM

While being involved in all aspects of school life, the administration's focal point is the individual student. Headed by Dr. Edgar V. Wallin, (left), administrators coordinate the needs of the student with the whole school process and surrounding community. Assistant principals include Mr. John R. Brown, Miss Elizabeth A. Conner, Dr. H. Ray Davis, and Mr. Thomas L. Walls.

principals include master schedule and data processing, security and textbooks, public relations and substitute teachers, and athletics and pupil transportation. Mr. Walls, Dr. Davis, Miss Conner, and Mr. Brown head these duties, respectively. Also, each administrator is responsible for one grade level. Working together the administration makes the total school program a success.

BY ADVISORY COMMITTEE

The Advisory Committee, consisting of department chairmen, serves to advise the administration on all matters pertaining to the operation of the school. This committee meets once a month and has a voice in formulating school policy concerning curriculum.

Mr. David Ruscus heads this group which brought guest speakers to faculty meetings. Even though the group is new it has proved to have a positive effect on teachers and administration.

TEACHERS SPONSOR VARIOUS ACTIVITIES

The faculty is involved in many extra curricular activities. About 30% of the teachers coach a sport and or sponsor an organization. All teachers have responsibilities in addition to their teaching load. In going beyond their teaching responsibilities to encourage and promote other activities which are apart of school life, teachers are frequently seen at sporting events, evening activities, early morning functions and local and state professional activities. They work diligently to further students' interests and enrich teacher-student relationships.

PTA SPONSORED LUNCHEON IN AUGUST

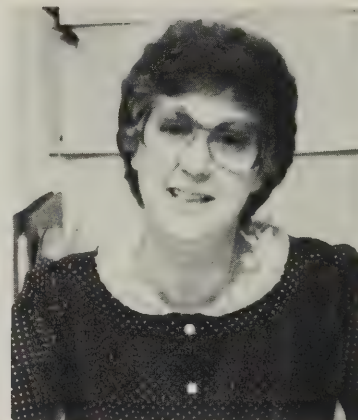

Throughout the school year teachers are honored by various school and community groups. In August the PTA sponsored a luncheon for faculty members in order to introduce new faculty members and PTA officers. During county-wide Teacher Appreciation Week, VICA recognized outstanding teachers, sponsored a morning coffee, and presented teachers with pens and pencils. The Administration held a Christmas coffee for teachers prior to the holidays. Ending the school year on a good note, teachers dine together the last day of school before going their separate ways in the summer.

SECRETARIES VITALITY IS NEVER ENDING

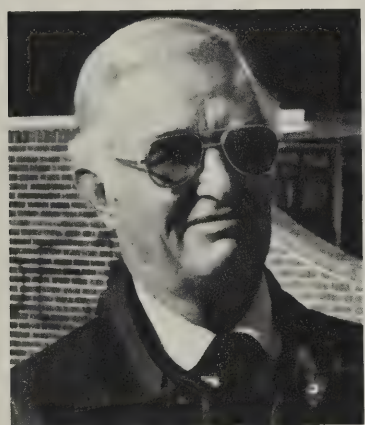

The smiling faces are a common sight as one enters the main office. From answering the phone to fixing the Xerox machine, the secretaries are often the busiest people on campus. Frequently they are found at various events on campus, and through their dedication they wholeheartedly support the school. To show appreciation during National Secretaries week they were honored by the administration with a breakfast.

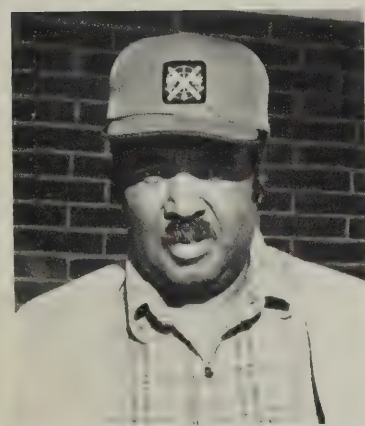

SUPPORT STAFF FULFILLS BASIC SCHOOL NEEDS

Perhaps unnoticed by students or faculty members, the support staff is an essential part of the total school. Cafeteria workers, custodian and maintenance workers, the parking lot attendant and clinic supervisor enable the school program to function efficiently and smoothly. Under the leadership of Mrs. DeRusha, cafeteria workers begin work in the early hours of the day to prepare food. Another shift of workers stay after the noonday and clean in preparation for the next day. Head custodian, Mr. Thomas and Mr. Harris, have guided their personnel in keeping the Warrior campus beautiful. The maintenance staff won county awards throughout 1980 for keeping Henrico the cleanest. The parking lot attendant, Mr. Claude Bradshaw, braves the hot and cold each day in order to control entrance to the lot, while Mrs. Arlene Burks supervises the health of students in the clinic. The work of the support staff is valuable in keeping Henrico students and personnel proud of their school.

FHA PROMOTES HOMEMAKING SKILLS

"Homemaking: The Universal Skill" was the theme this year for the Future Homemakers of America. This theme was dominant through various programs and speakers relating to family and home life in many foreign countries. To raise money for their activities, the Club held a bake sale in November, sold cheese balls prior to the winter holiday, and sold hot chocolate on cold mornings in January and February. Other than projects, these future homemakers also enjoy each other socially. The Club organized a Christmas party and an ice cream social during the year.

VICA SHOWS THE WAY WITH SIGN PROJECT

Teaching how to live and work with others is a main goal of VICA. The club provides services for the school as well as the community. Teachers were honored with pens and pencils during Teacher Appreciation Week. As recognition for supporting VICA students, one teacher each day wore a VICA sweater during Teacher Appreciation Week. The club sponsored the cypress directional signs on campus and sold candy to make a donation to the mini-bus. As a highlight, the club held an Employer-Employee banquet to which members brought their employers.

LANGUAGE CLUBS

The encouragement of interest in the culture of Spanish speaking countries is the main priority of the Spanish Club. Miss Newell heads this club, which provides guest speakers and organizes service projects for the school and the foreign language department. This year the 20 member Spanish Club participated in the Muscular Dystrophy Carnival, where they cooked and sold a Spanish desert delicacy called churros. A bake sale was held in November. The club's Christmas party consisted of only Spanish foods and for most members this was the first time eating some of these dishes.

Learning and experiencing the culture and customs of Germany are the German Club's main objectives. To gain this experience the club attended the State German Convention and the State Oktoberfest celebration at Bush Gardens. This year the club participated in selling advent calendars for Christmas and in selling concessions at the Blue and White Old Dominion Basketball game. Also, the German club engaged in carrying banners in the Homecoming Parade, and they sponsored the German Schuhplattler dancers.

SPEAK A DIFFERENT TONGUE

To enrich their knowledge of French customs and culture, the French Club invited guest speakers to encourage interest. Under the direction of Mrs. Stacia, the club sponsored two booths at the MDA Carnival. The members brightened Christmas for the senior citizens at Westminster Canterbury by taking them fruit and singing French Christmas carols. To raise money the French club sold bumper stickers and buttons, and sold hot chocolate before school each morning.

In order to increase student awareness, the Latin Club promotes the study of Latin and the classics. The Latin Club, headed by Mrs. Collier, participated in the MDA Carnival, sold concessions at girls basketball games, and entered a float in the Homecoming Parade. The highlight of the Latin Club activities was the State Latin Convention held in Roanoke in the fall.

OFFICE, CLINIC, AND LIBRARY ASSISTANTS

Recommended by their guidance counselors, office aids are chosen to assist secretaries in the main office, guidance office, assistant principals' office and attendance office. These aids work one period under the action learning program and receive credit for their work. Duties of the assistants include running errands, sorting and stapling papers, making copies, typing letters, and sorting mail. The valuable assistance of these aids enables the secretaries to complete their tasks in a more efficient manner.

DONATE TALENTS AND ENERGIES TO STAFF

Under the leadership of Miss Cunningham and Miss Graham, library aids assist the librarians in managing daily business. Assistants check in and check out library materials, shelve books and periodicals, straighten chairs, and shelve and record overdue books during their action learning periods. Clinic assistants are under the supervision of Mrs. Burks. These students share responsibilities such as running errands and keeping records. Each library and clinic assistant receives credit for the year of service under the action learning program.

SMALL CLUBS PRESENT A VARIETY

Filling Christmas stockings for McGuire Hospital and making Valentine favors for the Veteran's Hospital are among just a few of the community services the Red Cross performs. Directed by Mrs. Stevens, they also held an enrollment drive to collect money for the youth programs at the Henrico Chapter of the American Red Cross.

Extreme concentration and skill are the major qualities needed to be a member of the Chess Club. Their sponsor, Mr. Gallier, helps the students learn new strategies and moves by competing against each other. This competition also increases fellowship by helping others perfect their skills.

Teaching safe driving techniques and making students aware of driving hazards are the main concerns of the Safety Club. Mr. Sharper, the club's sponsor, and the members have contributed greatly with the aiding of spectator's parking at the Warrior football games. Henrico High School's safety Club has played an important role in promoting personal safety on campus and at home.

S.O.D.A. CREATES AWARENESS

Working with elementary and middle school children, the Students' Organization for Developing Attitudes (SODA) reviews topics such as developing a positive self concept, resisting peer pressure and forming genuine, lasting relationships with others. SODA teams develop close relationships with their young friends while meeting one hour every other week. During the meeting hour, games are played, movies are shown, and lunch is often eaten. Under the guidance of Miss Linda Woolridge and Mr. Donald Ganzert, the SODA teams enrich their lives and experiences as well as those of the youngsters in Henrico County.

HONOR SOCIETIES TAP MEMBERS

The National Honor Society, Quill and Scroll, and Thespians are honor organizations for those talented in academics, journalism, and drama, respectively. Students are tapped at a special assembly by members of the clubs. The NHS creates enthusiasm for scholarship and stimulates a desire for leadership. Quill and Scroll is the honor society for publications. As the other two societies, students are recommended by sponsors. Thespians aim is to establish interest in the theater. The members not only perform on stage but also help with costumes, lights, make-up, and publicity of school productions. All three organizations are integral part of school life.

GAA AND PEP CLUB SHARE IN COMMON INTERESTS

Supporting all girls athletics at Henrico is the function of the Girls Athletic Association (GAA). The organization participates in and attends girls' sporting events. In order to raise money to purchase equipment for the various girls' teams, the Girls Athletic Association sponsored an aluminum can collection drive and ping pong tournament.

With a twelve member squad the Pep Club strives to promote spirit and togetherness between the student body and faculty. The club participated in the Homecoming Parade, Bonfire, and helped provide refreshments for the football team. To cover expenses the Pep Club sold candy. Many other activities were planned such as a pizza party, a kissing booth for Valentine's Day and a talent show.

VARSITY CHEERLEADERS CREATE ACTION ATTRACTION

Exhilarating spirit throughout the year, the varsity cheerleaders are active in many activities. Mr. Warrior, Mickey West, joined the cheerleaders in cheering for all sports events and pep rallies during the school year. The cheerleaders, under the direction of Mrs. West and Mrs. Bean, assisted in the preparation and serving of pre-game meals to football players and coaches for all home games. This special time for athletes and cheerleaders served as a time for sharing team spirit before the games. The cheering squad raised money to buy new uniforms with co-captains Wendy Harris and Karen Millican assisting Mrs. West. The squad also provides many services to the school such as serving as guides and assisting the faculty and administration in special events.

CHEERLEADERS BOOST UNDERCLASS ATHLETES

Cheering at pep rallies and athletic events, promoting spirit throughout the student body, and supporting the ninth and tenth grade athletes are only a few of the activities in which the Freshman and Junior Varsity Cheerleaders participate. The Junior Varsity squad also served as guides at PTA Back-to-School Night while both squads promoted money-raising projects such as bake sales, doughnut sales, candy sales, and cheese and beef stick sales. Ms. Shumate, the sponsor of the cheerleaders, has spent endless time and energy giving leadership to both squads of cheerleaders.

JAZZ BAND ADDS MUSICAL PIZZAZZ

Walking by the auditorium 6th period, one can hear the music of the talented Jazz Band. The members not only explore different jazz styles and forms, but also perform in school and community programs. The Jazz Band entertained Warrior fans at basketball games and performed for crowds at the Robins Center during half time events. With a musical range from Jazz to contemporary, the ensemble performs with poise and professionalism.

FLAGS, RIFLES, MAJORETTES COMPLEMENT BAND

Twirling batons, swirling flags, and spinning rifles; the majorettes, colorguard and rifles add a flair to the marching band. These groups perform at all football games, parades, and competitions. To help with expenses, the three groups held a yard and bake sale, collected newspapers and aluminum cans, and sold fruit along with the band for their trip to Florida. They also participated in a band competition at the Virginia State Fair and marched in a parade in Baltimore on July 4, 1980.

AUMAN'S ARMY MARCHES

Florida or Bust! A citrus fruit sale by band members made possible their trip to Florida in November. The band competed in the Marching Bands of America Grand National Championship where they received an excellent rating. In addition to competing in Florida, playing at pep rallies and Friday night football games, the Marching Band performed at various festivals and parades. Under the expert guidance of band director, Leon Auman, and drum majors, Wayne Currier and Doug Coppage, the Marching Band had a rewarding and successful season.

SOUNDS AND EXPRESSIONS EXHIBIT MUSICAL TALENTS

With so many talented people at Henrico, it is not difficult to locate enthusiastic people with exceptional voices and dancing ability. Expressions consists of fourteen such talented girls. Directed by Ms. Hanchey, the group performs many exciting numbers, consisting mostly of popular music.

Another group of equally talented people consisting of guys as well as gals, is Sounds. With a touch of elegance, the group, dressed in suits and gowns, performs songs with some choreography. Sounds performs a variety of songs ranging from madrigal to pop.

TALENTED VOICES PERMEATE CHOIRS

The members of Girls Chorus and Concert Choir enjoy using their strong voices to perform for the community as well as the school. This year the Girls' Chorus incorporated dances with a number of their songs to add variety to their concerts. They performed at the Westport Convalescent Center as well as at several school concerts. The Concert Choir performed at several out-of-school concerts including one at Camelot Nursing home. They have performed at numerous school functions including senior convocation and the Christmas Mother program. Several of the Concert Choir members have worked their way to regional chorus participation. The members of Girls Chorus and Concert Choir use their talents to entertain their peers and community members.

STUDENTS EXCEL IN ACADEMICS AND PUBLIC SPEAKING

Recalling knowledge and using quick reflexes are two of the many talents of the Battle of the Brains team. This competitive team, led by Captain Doug Coppage and sponsor Dave Ruscus, competed on public television against other area high schools throughout the '79-'80 school year. The team completed their 1980 season in second place.

Attending both district and regional tournaments, the members of the Forensics team attempted to improve their speaking skills. Under the sponsorship of Miss Becky Wright, this seven member team made three to five minute presentations for competition in one of seven areas. These categories ranged from prose and poetry to public speaking. The sponsor and members of the forensics team worked closely with the Debate Team during the year.

YAC AND USB SERVE STUDENT NEEDS

Two of the newest additions to clubs and organizations at Henrico are the Youth Advisory Council (YAC) and the United Student Body (USB). Both clubs are leadership oriented and have been very successful in making their presence known on campus.

YAC works with Mrs. DeRusha and the Henrico County Food Service program. YAC has worked to improve the food in the cafeteria and even participated in a "Hamburger Taste-Off" sponsored by the school food service.

The USB has been very involved with school activities this year. They participated in the Homecoming parade with the float "Jolt the Jaguars" and won first place. The USB also sponsors an assembly with prominent area business men and women during Black Heritage Week.

H-TEENS CLUBS STRESS

All H-Teens clubs participated in the Muscular Dystrophy Carnival and entered a float in the Homecoming Parade. School and community service is the primary function of the H-Teens clubs. Team members donate their time and energies to helping other students, faculty, and community members. As a service to the school, H-Teens I conducted the concession stand at wrestling matches as well as selling carnations for Valentines Day. H-Teens I also entertained children on Sunday afternoons at Crippled Childrens' Hospital and sponsored a Blood Drive for area hospitals. H-Teens II sponsored a Christmas party for the pre-schoolers at Kinder Care while H-Teens III was busy selling stationary during the year. H-Teens IV collected toys for tots at Christmas and provided a Valentine's Day party at a local nursing home. Each H-Teens club continued to foster an attitude of caring for others.

CIVITANS SERVE SCHOOL AND COMMUNITY

Sponsoring the Sadie Hawkins Dance is the highlight of the Junior Civitan year. Janice Nunnally, chosen at last year's dance, is this year's sweetheart. Sponsored by a new faculty member, Mr. Hunter Durvin, the club's activities included a Saturday morning cleaning of the school grounds, attending church services, and entering a float in the Homecoming parade. President, Scott Nunnally, guided the club to a busy and fulfilling year.

KEYS UNLOCK THE FUTURE

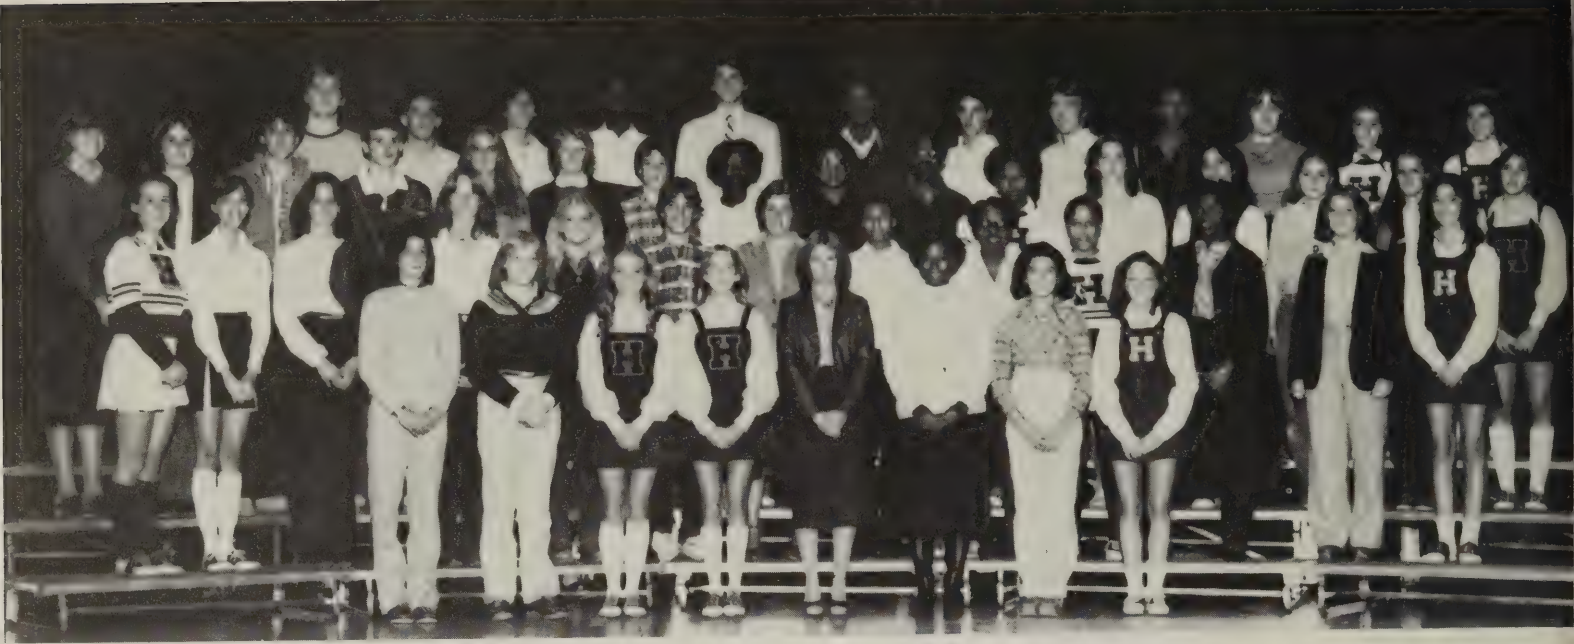

Serving the school and community, the Key Club is one of the few remaining all male clubs at Henrico. Working for service and raising money for special projects, Key Club members can be seen on campus not only during school, but also after school hours. The club cleans the stadium after all home football games and helped collect yearbook fees. Another tradition is the Key Club spaghetti supper held each year before the Hermitage football game. Promoting goodwill in the school and community, the Key Club is an important organization on campus.

REMAINS ACTIVE ON CAMPUS

Better understanding and cooperation between students and faculty is the primary goal of the SGA council and assembly. The organization, with a membership representing the entire student body, planned many activities throughout the year to encourage school unity. The annual Winter Carnival Dance was sponsored by the organization along with Stunt and Talent Night, later in the year. Additionally, the SGA promoted Student Government Day, in which students had the opportunity to fill positions of county administrators for one day. The club members also sponsored the MDA Carnival and a student exchange day with other schools. The organization participated in the ODU Blue-White basketball game and the Homecoming Parade. With sponsors Mr. Ellett and Miss Newell, the SGA council and assembly tries to develop and encourage a better understanding and appreciation of democratic principles and encourage high scholastic and moral standards.

FBLA AND DECA EMPHASIZE AWARENESS IN CAREERS

While developing leadership skills and fostering an understanding of career objectives, the Future Business Leaders of America and Distributive Education Club of America attempt to increase student interest in the business world. Remaining active on campus, FBLA participated in the Muscular Dystrophy Carnival and collected toys for less fortunate children in the Richmond area. DECA held an installation breakfast for new officers and placed first in a district basketball game. Both clubs sold candy to cover expenses during the year.

SMOKE SIGNALS AND HOW GET THE NEWS OUT

With nine issues each year, *Smoke Signals*, the campus newspaper, keeps Warriors abreast of all the latest news. The cost of printing the paper is paid for by advertising and the rate is two dollars per column inch. Editorial sponsor, Mrs. Gilliam, and business sponsor, Mrs. Ramer, supervise the production of *Smoke Signals* and assist with graphic design. The *How* staff is responsible for the production of Henrico's literary magazine which comes out at the end of each year and includes the works of the entire student body. With the combined efforts of these two publications, the Warriors are kept in tune with all the happenings at Henrico.

GOALS ACCOMPLISHED THROUGH FRIENDSHIP

Working on Saturdays, after exams, and on holidays, the Totem Pole staff strives to meet all deadlines so that the yearbook will be delivered before school is out. The Totem Pole is the only county book which has a spring delivery and all 224 pages were in the publishing company by March 1. This is in keeping with that Henrico is #1 in the county. Laying out pages, writing copy and headlines, and taking pictures of students are the major jobs of the staff. Keeping secret the cover, dedication, and theme is extremely difficult for nine months. Strong friendships are established among staff members which causes unity in accomplishing the goal of producing the yearbook.

EDITORIAL

A school can only be successful if its student body is able to unite in times of excitement and disappointment, to build a solid foundation. The qualities of friendship, loyalty, spirit, pride, and tradition are needed to strengthen the foundation. These elements can be seen in the daily life at Henrico High School.

As we walk the sidewalks, we meet people from different walks of life. This helps us to gain a better view of the different types of people there are in the world. From these views we develop our attitudes. The attitudes are strong and positive toward our school.

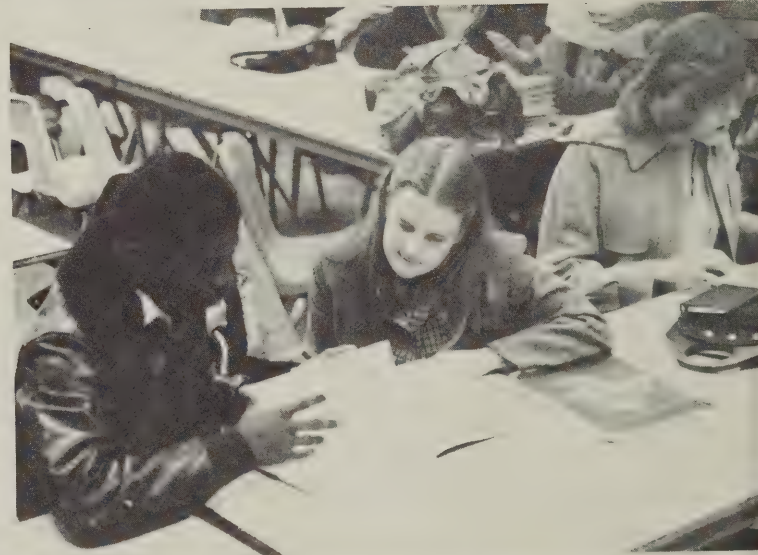

New school spirit is shown by our support of all school activities whether social, athletic or cultural. Parents and teachers also show their support through PTA, Band Boosters, Sports Boosters, and club sponsorship. Everyone works hard to make Henrico better. The diligence and enthusiasm have created an atmosphere that is warm; one that makes us feel welcomed. From our freshman year through our senior year, we have felt a part of Henrico High School. Being a part of each other we are concerned with problems faced by all of us, as a group and as individuals. Furthermore, we are willing to help.

Leadership is seen from the principals to the students. Good leadership is displayed throughout our school. Each of us does not have to be a president of a club or organization to be a good leader. We have quiet leaders who through example have made their presence known to our school and community.

Our pride and sense of tradition are evident throughout the campus. At HHS the educational facilities are excellent. We have the best books, visual aids, and facilities necessary for a productive learning environment. Our clean and attractive campus reflects our traditions in the Warrior Head, the Memorial Bell on the field, the '81 on the auditorium wall, and the Warrior on the gymnasium floor. Our pride is obvious. Pride is the key.

Friendship, loyalty, pride, spirit, and tradition are foremost in the hearts and minds of the students and faculty of Henrico High School. We are proud to be a part of this quality educational atmosphere. We are dedicated to be No. 1; we are determined to stay No. 1.

Carol Ann Leeson, Editor

SOMEDAY... YESTERDAY RETURNS

After the year has ended, and you've grown old, or at least you feel that way, and you believe your youth is over, then your year-book will serve its purpose.

As you turn the pages of the book, you will slowly

ruffle through the days of your past. Then you'll be there.

Those were the times and the memories. The pizza or hamburgers after Friday night football games, the 'ole oak tree that provided practically the only shade around, the

bell at Chappell Stadium and the famous Warrior Head which is placed in front of the campus for all to see are familiar reminders of the past. The mar-que kept us informed of latest happenings at Hen-rico. All of these will help reflect on Henrico...#1.
